AMBELLA

Building Block Cocktail Table

07299-920-001

Exterior	W: 66"	D: 46"	H: 18"
Interior	W: 0"	D: 0"	H: 0"
Volume	LBS: 240	CU.FT: 50.60"	

This cocktail table has a unique interlocking design. One waterfall table overlaps another and seems to intersect through the middle of the table top. Mahogany solids and ceruse White Oak veneer accented with our weathered ivory finish create texture on this geometric form. Ships in two boxes.
