This plush, inviting sofa is our most comfortable and relaxed sit yet. Seat cushions feature 2" boxing along with very lofty crowns which are topped with relaxed back pillows that bend and fold over the outside back. The seat cushion, only available on this sofa, features a down like softness. A thin, Ultracel® foam core is wrapped in 1 oz. fiber and feathers and down. Four layers of down proof ticking surround the outside. This seat cushion will require maintenance, turning and plumping after each use. Four boxed 25 x 25 throw pillows are included.
